Subject: Chat with Gabriella Lahti
From: Gabriella Lahti <hacktivismstory@gmail.com>
To: barriticus@gmail.com

Gabriella: barrett are you there?
me: yep indeed
Gabriella: hi, I got an email from a woman working at Radio National, Background Briefing. She listened to my Anon story and now she's looking into astroturfing on social media and persona management software. Can I forward your details on to her?
me: certainly
Gabriella: OK great, I'll do that :)
me: thanks
